30th December 1929.

My dear Mr. Krishna Rao,

His Highness received the enclosed from Dr. Seal. I shall be obliged if you will kindly let me know where Dr. Seal is at present, if he has decided to retire and intimated his decision to do so to Government and if in consideration of his having rendered good service to the State and of his having been given the status of a Member of Council it is proposed to publish in the Gazette a short appreciation of his services as is usually being done when a high officer such as Dewan or Chief Judge or a Member of Council retires.

Yours sincerely,

Colonel His Highness Sir

MAY IT PLEASE YOUR HIGHNESS,

After nine years of service in Your Highness's State as Vice-Chancellor of the University and also in various unofficial capacities in the political and educational fields, it is with infinite regret that I find myself forced by shattered health to cease my active official connection with Your Highness's Government. The impress of Your Highness's unique personality as a man and a ruler, will cheer me with its lesson of purity and selfless devotion as long as I live, andnow on the eve of my departure, my most earnest and humble prayer is that under Your Highness's wise guidance, the fundamental principles both of the constitution of the State and of the reorganised University which have been adopted lately, may be maintained and steadily developed so that Mysore may serve as a model and exemplar in the New India, to come. Finally I cannot leave Mysore without expressing my deep sense of personal gratitude to Your Highness for having given me an opportunity of realising some of my most cherished educational and political ideals and I pray that Providence may bless the State and its Ruler abundantly.

I remain,

Your Highness's Most Obedient
and loyal Servant,

Sd/- B.N.Seal,

D.O. No: 96

2nd January /30

My dear Mr. Thumboo Chetty,

With reference to your D.O. letter No. 80 dated the 30th December 1929, I write to state that no communication has been sent by Sir B.N.Seal to Government intimating his desire to retire.

His term was due to expire on 15th December 1929 but in the meantime he proceeded on leave from 21st October 1929 on the ground of illness. With the approval of His Highness, he has been granted all the leave on full pay available at his credit, which extends till 23rd February 1930, and his term of service has been also extended correspondingly. Sir B.N.Seal apparently contemplates retirement from date of expiry of the leave allowed to him.

I think an order placing on record the appreciation of the services rendered by him is necessary and it may be issued after the exact date of his retirement is known.

P T G

The draft of the order of appreciation will, in due course, be submitted for His Highness' orders.

I understand that Sir B. N. Seal is now in Calcutta where his address is as noted below:

Dear Sir,

With reference to your D.O. No.301C/C.B. dated the 28th January, 1930, I regret to inform you that the present state of my health makes it desirable for me to give up active work for sometime. Though I might be capable of completing the scheme of the University and its organisations, my physical disabilities render it very doubtful if I should ever be able to take up active executive work again. In the circumstance I think that I shall serve the cause of the University better by retiring from active service. It is left to me to hope that I may be still of some service to my beloved University and to the State of Mysore in some unofficial capacity.

Under these circumstances the proposed valedictory order may be issued.

Yours sincerely,
